

Project: Utah Transit Authority -- Salt Lake Intermodal Center

Recipient: Utah Transit Authority

Location: Salt Lake City, Utah

Purpose: The Salt Lake Intermodal Center initially opened in 2005 with local bus and intercity bus service. In 2008 Front Runner Commuter Rail and TRAX light rail were extended to the facility. Requested funds would be used to reimburse previous costs. The facility has proven to be well used, enhancing public transit ridership and furthering regional goals of encouraging use of public transit.

Amount: \$22,000,000
